

ICMoB

MOLECULAR BIOLOGY TRAINING

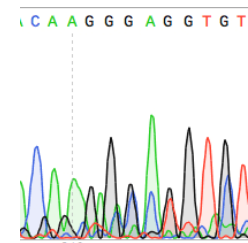

INNOVATION CENTER FOR MOLECULAR BIOLOGY AND BIOCHEMISTRY

1 Basic theory on molecular biology

8 Basic Bioinformatics analysis

2 DNA/RNA extraction and purification

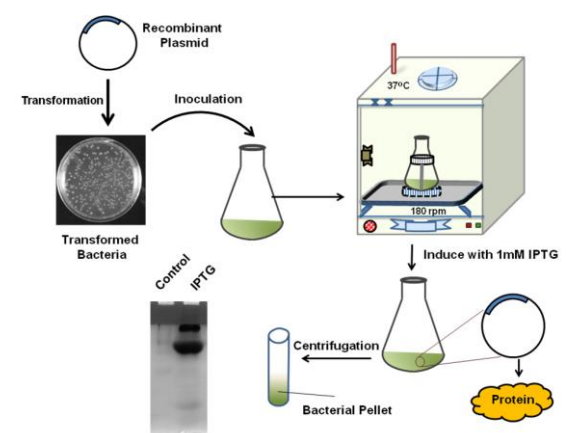

7 Gel electrophoresis

3 Convectional PCR

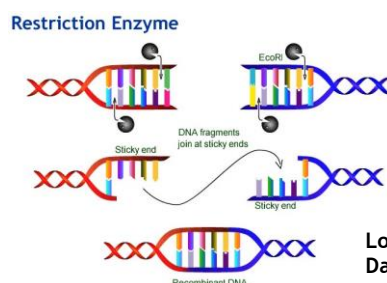

6 Protein expression & purification

5

Restriction digest and recombinant DNA

4 qPCR

Location: PAUSTI Molecular Biology Laboratory, JKUAT main Campus, Juja.
 Date: 10th - 14th June 2019
